Gladys & Henry crown center for Senior Living

Named Endowment Fund Guidelines

The Gladys and Henry Crown Center for Senior Living (Crown Center), originally founded as "The Delcrest" in 1967, provides affordable, high-quality living and services that enable residents to thrive independently. Crown Center fosters a supportive environment that respects residents' privacy and dignity while offering the assistance they need. Today, Crown Center is a vibrant, ethnically diverse community, welcoming individuals from nearby neighborhoods, across the United States, and around the globe.

A gift to the **Crown Center Endowment Fund (CCEF)** is a meaningful way to honor or memorialize loved ones while creating a lasting impact. The CCEF allows donors to establish a personalized legacy of support, addressing critical needs such as resident assistance, community programs, nutrition, capital improvements, and more.

Establishing a Named Endowment

- Individual Named Endowments can be created with a minimum contribution of $25,000. This contribution will be considered a Board-Restricted Fund and added to Crown Center's pooled investments.
- Contributions of $100,000 or more may be designated as a Permanently Restricted Fund, which will be invested in Crown Center's pooled investments. A portion of the total return may be utilized annually in accordance with Crown Center's Spending Policy. Donors may consider designating the use of their funds provided they align with areas of critical needs.

Contribution Options

- Donations may be made as a single lump sum or pledged over five payments within a four-year period.
- Once established, additional contributions can be made to the fund at any time.

By contributing to the Crown Center Endowment Fund, donors ensure ongoing support for the well-being and enrichment of Crown Center residents for generations to come.
